**RE: Gregory James Boatright**

Prob12C  
D/NV Form  
Rev. March 2017

**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA  
UNITED STATES V. GREGORY JAMES BOATRIGHT, 2:20CR00166**

---

**SUMMARY IN SUPPORT OF PETITION FOR WARRANT  
April 20, 2021**

---

On June 11, 2020, Boatright was sentenced by the Honorable Camille D. Bibles in the District of Arizona to Time Served followed by 12 months supervised release for committing the offense of Domestic Assault by Striking, Beating, or Wounding. Following sentencing Boatright returned to Las Vegas to commence supervision. On July 14, 2020, Your Honor accepted jurisdiction of his case.

On July 6, 2020, Boatright reported for drug testing and tested positive for marijuana. This positive was addressed with him and he stated that he most recently used on July 4, 2020, and that he uses primarily to address anxiety. He was reminded at this time that he may not use marijuana while on supervision and it was recommended that he look for alternatives to address his anxiety.

On July 12, 2020, Boatright failed to report for scheduled drug testing. To address this missed test, he was directed by the undersigned to report for drug testing on July 13, 2020. His test returned positive for marijuana and methamphetamine. When this was addressed with him, he admitted using on July 12, 2020, and that he didn't show up for his test on the 12<sup>th</sup> because he knew he would be dirty. Boatright denied using methamphetamine but did admit to using alcohol and ecstasy on July 12, 2020 as well.

During previous contacts with Boatright, he admitted to the undersigned that he uses primarily due to anxiety. It was recommended to Boatright that we add a mental health treatment condition so that he may get the treatment he needs to address his anxiety. On July 22, 2020, Your Honor granted this modification.

On July 18, 2020, Boatright again tested positive for marijuana. This positive test was addressed with him and he admitted to using marijuana on July 15, 2020. The undersigned admonished him for his use and encouraged him to seek his mental health counselor's help in this area as she might be able to connect him with a psychologist who can prescribe him medication for his anxiety.

On December 25, 2020, Boatright was arrested by Las Vegas Metropolitan Police officers and charged with Battery Domestic Violence, in violation on NRS 200.48. According to the police report, officers responded to Boatright's residence in reference to a 9-1-1 call they received from a child at the residence, reporting that Boatright was hitting his/her mom. (The child's mother is Boatright's girlfriend, who is also the same victim in Instant Offense.) Officers interviewed both Boatright and his girlfriend. Boatright stated the argument was completely verbal and that he never touched his girlfriend. His girlfriend initially told the same story but later admitted that

D/NV Form  
Rev. March 2017

Boatright grabbed and pull her hair. Both stated the argument started because Boatright would not come downstairs to see the kids open gifts.

Officers reviewed the 9-1-1 call and a child can be heard telling the dispatcher that Boatright is hitting and choking his/her mother. Toward the end of the call, Boatright's girlfriend got on the phone and told the dispatcher that Boatright did hit her. Boatright was placed under arrest and transported to the City Jail where he was booked on the single count of Battery Domestic Violence. He was bailed out by his girlfriend the same date.

The undersigned interviewed both Boatright and his girlfriend. Both stated the incident was all verbal and that no one was touched. The undersigned reviewed body camera footage from the incident and heard Boatright's girlfriend telling officers that Boatright pulled her hair, that she was so scared of what might happen, and that she told her son/daughter to call the police.

On December 30, 2020, the undersigned spoke with Boatright and told him he had until January 3, 2021, to locate another residence and that he will not be allowed to reside with his girlfriend until his supervision expires in June 2021. On January 4, 2021, during a video call with him he advised the undersigned that his girlfriend decided to move out instead of him and is now living at another residence. Boatright even gave a virtual tour of the residence and the undersign did verify that he was alone and it didn't appear his girlfriend was residing there anymore.

On April 19, 2021, the undersigned directed Boatright to report to the probation office for a random drug test. Boatright tested positive for methamphetamine and initially denied any use claiming the test was wrong but ultimately admitted using. He stated that he used methamphetamine on Saturday April 17, 2021, and that he used while hanging out with some friends. The undersigned asked if Boatright would sign an admission form stating such; he replied he "wasn't comfortable doing that."

On the same date, the undersigned discussed with Boatright his residence and living situation as it did appear from many previous conversations with him that he and his girlfriend might still be living together. Boatright initially denied this but eventually admitted that after his arrest for domestic violence on Christmas, his girlfriend and the kids left the house for a few days but then returned. He stated that they never really stopped residing together even after he was directed by the undersigned not to live together. He stated that since his domestic violence case was dismissed, he didn't think they should not be allowed to live together.

The Court was previously notified of the domestic violence incident on December 25, 2020 and out of great concern of further danger to the girlfriend, concurred that Boatright and his girlfriend should not reside together. Boatright then made representations to the undersigned that his girlfriend had moved out as previously directed, which was later determined to be false. The deception, domestic violence matter, both combined with the new methamphetamine use greatly concerns the undersigned and as such, the undersigned respectfully requests a warrant be issued.
